BMAA TRAINING SUMMIT

BLIND MANUFACTURERS' ASSOCIATION OF AUSTRALIA

The Blind Manufacturers' Association of Australia, in conjunction with The Frontline Group, is pleased to invite you to participate in the first Blinds Awnings and Shutters Training Summit.

BMAA has been working with its partner The Frontline Group on two key training initiatives since September 2016. But now we need your assistance as expert industry practitioners to provide your opinions and advice on:

1. A training program designed specifically for our industry
2. A comprehensive overall industry plan for training across the blinds awnings and shutters sector.

We are inviting you to attend the Blinds Awnings and Shutters Industry Training Summit, examining the training needs and opportunities for our industry. It will be relevant to consultants, re-sellers, installation staff as well as manufacturers.

The Summit will be one of the most significant events in our industry's calendar in 2017 and its outcome will impact upon our sector for a number of years and will inform the direction, content, suitability and availability of training. In addition, the Summit will inform government priorities and support for training in our sector. It is therefore vitally important that you attend and participate.

To register: email your rsvp info@bmaa.net.au or call 07 3801 8811

Non-members are welcome to attend
